At no cost to you, you and your eligible dependents will have unlimited access to UCM's Medical Team via phone, picture and secure video for treatment and triage of any medical problem you have. They can diagnose, prescribe medications when appropriate, order labs/diagnostic imaging and make recommendations to the best specialist in the area if needed.

UCM does not replace 911 for true life-threatening emergencies. For **all** other illness, injury or medical questions, call UCM's Medical Team first for treatment and triage.

Please be sure to download the UCMnow App as this is the best way to reach out for a consult whenever you need them. You can download the App and find out much more information on their website at www.UCMnow.com. Please don't hesitate to contact us anytime day or night, call
