Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Plan A - GOLD \$1,500 person/\$3,000 Family In-Network/ \$3,000 person/\$6,000 Family Out-of-Network Doesn't apply to In-Network Routine Annual Exam.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Preventative care and primary care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. A copayment or coinsurance may apply. For example, this plan covers certain preventative services without cost-sharing and before you meet your deductible. See a list of covered preventative services at https://www.healthcare.gov/coverage/preventative-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For In-Network providers \$3,000 person /\$6,000 annually per family. For Out-of-Network Providers Unlimited person	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, health care this plan doesn't cover, and penalties for failure to obtain pre-authorization for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of In-Network providers, see www.corehealthbenefits.com or call 1-888-741-2673.	If you use an in-network doctor or other health care <u>provider</u> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 2 for how this plan pays different kinds of <u>providers</u> .
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. You don't need a referral to see a specialist.	You can see the <u>specialist</u> you choose without permission from this plan.
