Introduction

CoreLink II offers enhanced access, improved design and expanded menu features while also retaining the information that was available on the original *CoreLink*. Our new website provides access to a secured Internet connection so that you and your family members can be assured that your information is protected. *CoreLink II* also consolidates separate activities into one location. For example, from the main menu you will be able to search Providers, access the Plan Documents, request ID cards, check claim status, etc.

You will be able to view your own claims and claims of your Dependents under age 18; however, due to Federal Privacy Laws, you will not be able to view the Protected Health Information of your Spouse and Dependents age 18 years and above. **Your dependent will need to contact Core Management Resources to be assigned their own User ID and Password.** You cannot request log-in information for them.

Core's Client Services department can assist with setting up a User Name/Password. They may be reached at (478) 741-3521 or (888) 741-2673. If Client Services is not available, you may submit a request via e-mail to help@corehealthbenefits.com. Please include the following information:

- Your name [Dependent needing log-in]
- Employee's name & Group Number
- Best Phone # and time to call in the event you need to be reached for additional information

Do not include Social Security Number in your e-mail.

System Requirements

Internet Explorer is required to use the Help feature; otherwise, you may use the internet browser of your choice.

Accessing CoreLink II

To access CoreLink II, go to <https://www.webeci.com/203CORE> or it can be accessed by going to www.corehealthbenefits.com & clicking in the upper right-hand corner *here*

[About Us](#)

[Contact](#)

We are committed to strengthening the Provider's role in patient care through prompt, fair and accurate payment.

Employers

Achieving a proper balance of better healthcare with lower costs enables you to better manage your business and care for your employees. Our approach to employee health benefits provides you the best value and control over providing high quality benefits to attract and retain the best workers. Our health services work with employees to improve their health, manage their care, and improve productivity.

Taft Hartley Plans

Collectively bargained healthcare and retirement benefits are a keystone for many industries. You can be confident in Core's effective management and efficient processes to maintain low-cost plan administration and to deliver high quality personal service. We serve Trustees and Participants of Taft Hartley Health & Welfare, retirement, and other plans nationwide.

Risk Management

Employer Workers
Compensation benefits must be managed proactively to mitigate risk and control costs. We lend our expertise to implement a self-insured workers compensation plan for you that limits risk while controlling and reducing costs.

Employees

If you are a member of one of our plans, we are here to serve you on behalf of your employer. We will provide the highest level of customer service. We will help you manage your health, improve your well-being, and best utilize your benefits through caring and personalized services.

Providers

Core believes healthcare requires the cooperation of the Patient, Provider, and Payer. We will provide you with prompt and accurate payment to best care for our Patients and better manage your practice or facility. If you are seeking a partner in delivering care and getting reimbursement, Core the Patient First Network, and our affiliated networks will work cooperatively to meet your needs.

Log-in Instructions

Employee first time log-in –

- Enter your Social Security Number as the User Name
- Enter your Password. It is your **eight-digit birthdate** in the form of mmddyyy.
Example: 06011967 (June 1, 1967)
- All Employees will be prompted to re-set User ID and Password upon your first log-in. This is the **ONLY** time you will be able to change your user name.

Dependent first time log-in –

A User ID will be given upon contacting Core. Unless you request a specific User ID, you will be assigned one based on your name. You will need to go to **Main Menu > User Settings** to re-set your password.

Employee first time log-in
This will be the **ONLY** time you can change your User ID.

PLEASE UPDATE YOUR PREFERENCES

* = Required

Please take this time to change your **User ID** and **Password** to something you can remember but is not easily guessed or known by others. **This is the only time you will be able to change your User ID.** Please add your **email address** so that you may receive important communications from your health plan administrator.

If you did not enter a password hint in your "USER SETTINGS" and cannot remember your password, Client Services can reset the password (see page 3).

Main Menu

Home

This is the first page you will see once you have successfully logged-in *CoreLink II*. The Home Screen provides you with a snapshot of your account.

Each of these hyperlinks also provides access to useful information.

The screenshot shows the CoreLink II Home Screen. The top navigation bar includes 'HOME', 'View More Claims', 'Search for Claims', and 'View Detailed Accumulation Information'. The left sidebar contains a 'MAIN MENU' with links to Home, Benefit Plans, Claim History, Accumulations, Eligibility, Enrollment, Provider Search, Resources, User Settings, Help, and Log Out. The main content area is divided into several sections: 'Recent Claims & Transactions' (with a table of claims), 'Member Summary' (with member details), '2010 Medical Accumulations' (with a table of medical expenses), '2010 Dental Accumulations' (with a table of dental expenses), '2010 RX Accumulations' (with a table of prescription expenses), and a 'Support Center' (with a text input field and a 'Send' button). A green callout box points to the 'View More Claims' and 'Search for Claims' links, stating 'Each of these hyperlinks also provides access to useful information.' Another green callout box points to the 'Send' button in the Support Center, stating 'Support Center – you can submit an e-mail directly to Core by typing your message here & clicking “Send”'.

Schedule of Benefits

Summary Plan Description

Answers to common questions about each policy

Your **Benefit Plans** screen displays the:

- **insurance plans / products** that apply to you and your family (For example, Major Medical, Dental, Vision, AD&D, and Life)
- **benefit summary for each plan / product**, including an overview of your schedule of benefits (maximum covered benefit amounts and deductibles per year, per-occurrence limitations), as well as an overview of your benefit plan options and co-pays for in- and out-of-network providers
- **legal plan / product document details** that control what you are and are not covered for, plus the when, what, where, who and how of it all, in full. You can review the complete employee benefit plan, including benefits, co-pays, pre-authorization procedures, and what is/is not covered for specific specialties, plan exclusions, and your legal rights under the plan.
- **questions frequently asked (FAQs)** by other plan participants. This may include, for example, such questions as the minimum hours you need to work to retain your eligibility, when coverage becomes effective, how COBRA works, etc.

If you don't see a link to an FAQ or Plan / Product Summary, one has not been created / uploaded. Check back for updates.

Claim History

This screen lists all of the individual claims for employees and their dependents. Claims are listed in date order, beginning with the most recently submitted.

EOB Message
TO PROTECT PATIENT PRIVACY, THE PATIENT'S EOB WILL BE ADDRESSED TO THE PATIENT.

You can view your own claims and claims of your Dependents under age 18; however, due to Federal Privacy Laws, you will not be able to view the Protected Health Information (PHI) of your Spouse and Dependents age 18 years and above. If you click on a claim for a Dependent age 18 years and above, you will receive the below message:

CoreLink II
Benefits at Your Fingertips

CLAIM INFORMATION

Age Restriction Notification

You will only be able to access detailed information about yourself and any covered dependents under the age of 18 as a result of mandates by the U.S. Congress.

For example: If you are a subscriber or the spouse of a subscriber, you will be able to see who is eligible under your coverage and examine benefit levels, treatment and claims history for yourself and covered dependents under the age of 18 (i.e., your children). You will not be able to access the same details about your spouse or anyone else under your coverage that is over the age of 18.

These mandates are designed to protect the privacy of your "Protected Health Information" as defined in HIPAA.

Your Dependent can request and complete an Authorization for use and disclosure of their PHI. The form can be found in the *Resources* section or contact Core at help@corehealthbenefits.com.

To start **Claim Search**, enter the Employee's Social Security Number (*not the Dependent's SSN*). Then click the radio button to select the time frame or to enter the claim number (*with dashes*).

Accumulations

The **Benefit Accumulations** screen displays the claim charges incurred and the insurance payments made/not made for you and for all family members covered under the employee's policy. The Plan Year field displays the current plan year.

To view totals for a different year, select it from the drop-down list. Accumulators are displayed by coverage type. In the example below, totals for the major medical plan are displayed first. Below that, separate totals appear for both the dental and vision plans. Naturally, your Accumulations screen will only display the coverages you have.

The Select Family Member drop-down only appears when the primary insured has covered dependents. Otherwise, only the name of the primary insured appears here.

The Spending Account radio button appears in light gray, indicating that it isn't available. If Core administers your Spending Account, you will need to go to Metavante (<https://www.benefitspaymentsystem.com/default.aspx>) to view your account information.

Powered By:
Eldorado Computing, Inc.

The appearance of accumulators for major medical and dental indicates that the insured has (or had) both types of coverage.

Eligibility

Your **Eligibility** section provides you with a quick overview of your insurance status (active, terminated, etc.), your standard and supplemental insurance coverages (as appropriate), your family's insurance coverages (if applicable), and product and plan information.

When you click on eligibility, you will see "your" (the primary insured) personal eligibility coverages and plan status. You can also enter a date in the New Coverage Date to view your eligibility information as of that date. The default entry is the current system date. You can also view your family's insurance coverages, by clicking on the **View Family Eligibility** link.

SUPPLEMENTAL LIFE	25,000

Enrollment

This is an optional section. Your Employer may require these changes to be made through your Human Resources department.

If this section has been activated, you will be able to use the **Enrollment** section to

- enroll as a new hire (for employees not yet in the health care management system)
- enroll during an open enrollment period
- record a life event change, such as the birth of a child, divorce, change of address, name change

You can only access options that apply to you. For example:

- **If you are a new hire**, you can access and complete the New Hire Enrollment, and Open Enrollment screens, but not the Life Event or Change Request screen(s).
- **During an open enrollment period**, you can access the Open Enrollment area. No access is allowed outside once open enrollment is over.
- **If you are an existing enrollee**, you can access to the Life Event or Change Request area.

- Resources
- User Settings
- Help
- Log Out

Enrollment and Change Options

Life Change Event

Date of Change: * mm/dd/yyyy

Use this option to request changes to your health coverage. Changes include things like: Newborn child, divorce, marriage, court mandates, termination, address change, drop dependent coverage, change primary care physician etc. A date of change must be provided in order to begin the life event change process.

Provider Search

Your **Provider Search** section allows you to search for participating providers in your health benefits plan. You can search for provider by name, specialty, network code, and location.

To begin searching, enter any of the following: first, last name, office name, city, or zip code. The more information you supply, the narrower the search results will be.

The screenshot shows the CoreLink II web application interface. At the top is the CoreLink II logo with the tagline "Benefits at Your Fingertips". Below the logo is a navigation bar with the text "PROVIDER SEARCH". On the left is a "MAIN MENU" with links: Home, Benefit Plans, Claim History, Accumulations, Eligibility, Enrollment, Provider Search (highlighted), Resources, User Settings, Help, and Log Out. The main content area is titled "Search Options" and contains several search criteria with radio buttons: "First Name" and "Last Name" (text input fields), "Office Name" (text input field), "National Provider ID" (text input field), "City" (text input field), and "Zip Code" (text input field). There is also a "Specialty" dropdown menu set to "--Any--" and a "Network Code" text input field. At the bottom of the search options are "Search" and "Reset" buttons. A "WEBbed" logo is visible in the bottom left corner of the main menu area.

Note: You cannot search by both a provider name and office name, or both a city and a zip code.

Tip: Enter a partial name if you aren't sure of the full name. The system will return all providers whose names match your criteria.

After filling out the search criteria, you will see a list of providers that met with your specified criteria. For each provider, you will see the provider name, address, and phone.

Depending on setting established by Core, you may be provided with a list of Provider Network Websites.

The screenshot shows the CoreLink II web application interface displaying a list of Provider Network Websites. The top section is the same as the previous screenshot, but the "Search Options" section is replaced by a "Provider Network Websites" section. This section contains a list of links: [FIRSTHEALTHNETWORK](#), [INDUSTRYBUYINGGROUPNETWORK](#), [MEMORIALHEALTHPARTNERS](#), [MEADOWSREGIONALMEDICALCENTER](#), and [PATIENT1ST](#). Below the list is a disclaimer: "These links to provider network websites are provided by your health plan administrator. Report incorrect links to your health plan administrator." The "MAIN MENU" on the left is the same as in the previous screenshot.

Resources

Your **Resources** section provides you the opportunity to submit:

- **A request for new or replacement ID cards.** The request will be transmitted directly to your health plan administrator. If you have not received your new cards within 10-days, please call Core's Eligibility department.
- **An e-mail message regarding the functionality** of this web application. If you have not received a response within 2 business days, please call Core's Client Services department.

This section will also provide you with important links, forms, frequently asked questions, etc.

Frequently Asked Questions

What can I view on CoreLink II?
CoreLink II allows you to verify eligibility, review up-to-date benefit information, pull up specific claims, print claim forms, request ID cards, and more.

How do I request a letter of coverage?
You can obtain a letter by sending your request through either: 1) the Support Center on the Home page (type your request in the box and click "SEND") or 2) the Contact Health Plan Administrator button on the Resources page.

Can I see my spouse's information?
No. When using CoreLink II, you will only be able to access detailed information about yourself and any covered dependents under the age of 18 as a result of mandates by the U.S. Congress. For example: If you are a subscriber or the spouse of a subscriber, you will be able to see who is [read more >>](#)
